Callisti!

You hold in your hands one of the greatest games of our century fnord. The only problem is that

YOU ARE HOLDING IT UPSIDE-DOWN!!

Hopefully the contents haven't all fallen out of the box and been eaten by St. Gulik.

Chase the golden apple as your favourite apostles spring to life, journeying across the seasons and beyond the borders of sanity! Laugh, cry and hopefully refrain from regurgitation in the most refreshing distraction since CookNote Fibreglass!

Callisti. A FNORD game from the cuckoo trail.
